General Contractor	TBD
Architect	PBK (Criteria Architect)
Structural Engineer	TBD
Civil Engineer	TBD
Mech./ Elect. Engineer	TBD
Executive Const. Manager	TBD

Project Schedule

Programming Complete	Design and DSA Approval	Construction Completion (Est.)	FFE & Move-In (Est.)
March 2026	Design: April 2027 DSA: February 2028	July 2030	November 2030

Current Status/Phase: Design—Programming

Project Insights

In collaboration with District and College stakeholders, PBK continued to help establish the project vision, develop space programming, prepare conceptual diagram layouts, and provide preliminary cost estimates. Numerous focus group meetings continued this month for ESL, Citizenship, Healthcare, Child Development, Culinary Arts, Student Services, Nursing, and operations to understand how existing spaces will be refined as part of the expansion project, which will directly impact the renovation opportunity of the existing building. Four renovation effort options were provided by PBK for District and College approval as the basis of design on the project.

Upcoming Milestones:

- Renovation package programming package—Q1 2026

CONCEPT-LEVEL PLANS

Subject to revision. Not a final design.

Project Features

The San Diego College of Continuing Education Mid City Renovation project includes targeted upgrades to the building. In alignment with the campus's long-term Master Plan, the improvements will contribute to a more welcoming and efficient learning environment. The project will focus on:

- Improved parking solutions
- Enhanced classroom spaces
- Reenvisioning student services for improved access
- Site Security

As the project vision, space development, and programming continue, the scope of the renovation will be refined
