10-01-2025	N/A	TBD	N/A

Current Status/Phase: Design Phase

Project Insights

Repair existing overhead garage doors at the building G3 and G4

Upcoming Milestones:

- Project is on hold pending District Facilities' review of the overhead door condition with the District Parking Operations: November 18, 2025
- Campus agreed the best option is to retain the existing garage doors. As a result, wireless controls will not be necessary December 12, 2025
- Design will proceed once the District provides direction on Mesa College and Cesar Chavez overhead doors: December 12, 2025
- Bidding is scheduled for March to May 2026 with construction expected for May to October 2026
